

**BCM Today & Tomorrow VISION**

Starla and Kalinka are working on a Project to make CAECC ministries become self supporting through a Restaurant Training School. This will continue to present the compassion of Christ to poor people, helping them to become self sufficient and know the Lord through this endeavor. They seek funding from foundations as well as churches.

Bruno seeks to plant Christian churches in Recife and beyond. The first three are underway.

New friends and supporters will catch the vision as they see progress, and the great opportunities for compassion and evangelism.

The missionaries will be in the U.S. enough to keep supporters informed: Bruno a month or more each year, and Starla as circumstances allow.

Please include BCM's vision in your prayers. The Lord is leading and your partnership is needed. THANK YOU for your support.

**New Christian Church site in Recife. Our first worship service there was outdoors.**

It was great to worship God, looking at the stars in the sky... Keep praying for the reform. Funds are needed so we can be inside soon...

The small groups continue every week in the homes.

A donation from Diana Preston and her children (Anthony Ch. Ch.) was given to Bruno Moraes for this new children's class. Thank you!

Moving, cleaning, fixing and reforming the new church building.

Thanks to IDES and many individual donors and volunteers, we had a wonderful Holiday Event. Englobing Christmas Celebration and School holidays. 125 food baskets were given out to the very needy families. Gifts and Candy for over 100 children. And a presentation of the Lord's word. These were memorable days. Praise the Lord!

Requests:

- ◆ We are in much need of a car that can be used or bought at a lesser price for our missionary Starla who will be staying in the US for a while and needs transportation to get around. In October a car is needed for Bruno during his stay in the US (3 months). If someone has an extra car in their garage that they rarely use maybe you can loan it.
- ◆ House for rent in Kansas City
- ◆ We are accepting donations of used clothing to be sent to Brazil for the needy.
- ◆ Also donations to pay for these big boxes of clothing to go.
- ◆ If anyone should have extra pots and pans and kitchenware, this would also be welcome.
- ◆ Equipment necessary for the mission:

- \* Overhead Projector
- \* Portable Screen
- \* Laptops

Prayer Request:

- ◆ Pray for Luiz and Starla’s health issues. That the Lord will open doors to take care of this.
- ◆ Pray for Luciene Moraes who is having a hard time with terrible pains in her arm and they haven’t found out what’s wrong.
- ◆ Pray for BCM to carry through the new projects with the Lord directing opening doors.
- ◆ Pray that the Lord will open the doors for Starla’s Family immigration.  
(Luiz, Kalinka, Junior, Mayara, Mathews and Fernando).

*We would like to give special thanks to all those who have so caring donated gifts, time and especially prayer for our families and BCM.*

*A special thank you to IDES who has also been our partner throughout the year. God bless all of you greatly.*
